

GRADES THREE AND FOUR COURSE WORKSHEET

Third- and fourth-grade campers select a schedule consisting of two enrichment courses in the morning and three recreational activities in the afternoon. All three-session schedules are listed below. Please refer to the brochure for descriptions of the enrichment courses and recreational activities.

Important Registration Information: When completing the registration form, indicate first and second choices. Please remember that the grade-level designation refers to the grade the child will enter in the fall.

MORNING ENRICHMENT COURSES

Campers may not repeat an enrichment course in either the same or a different session.

AFTERNOON RECREATIONAL ACTIVITIES

First- through fourth-graders generally participate in recreational activities together, with the exception of Archery, Flag Football and Street Hockey which is offered to only third and fourth grade campers. *Whole Group Activities* include organized games like relay races, tag games, and asteroids.

Only one swim class (lessons or recreational) may be taken per session. Recreational activity choices may not be repeated in the same session. Campers attending more than one session may repeat the same recreational activity in a different session.

Please Note: The grade-level designation refers to the grade the child will enter in fall 2018.
