

GRADES FIVE THROUGH NINE COURSE WORKSHEET

Fifth- through ninth-grade campers select a schedule consisting of three recreational activities in the morning and two enrichment courses in the afternoon. All three-session schedules are listed below. Please refer to the attached descriptions of the enrichment courses and recreational activities.

Important Registration Information: When completing your registration form, indicate first and second choices. Please remember that the grade-level designation refers to the grade the child will enter in the fall.

MORNING RECREATIONAL ACTIVITIES

A different recreational activity must be selected each period. Only one swim class (lessons or recreation) is allowed per session. Campers attending more than one session may repeat the same recreational activity in a different session.

AFTERNOON ENRICHMENT COURSES

Campers may not repeat an enrichment course in either the same or a different session.
*Please note that some classes are offered as double-period (all afternoon) classes.

Please Note: The grade-level designation refers to the grade the child will enter in fall 2018.
